

Corporate Social Responsibilities

Seamico Capital Public Company Limited was highly focused on corporate social responsibility throughout the year. The Company was engaged in developing local communities as well as showing great concerns for global environmental through CSR campaigns. Apart from providing a complete range of securities services to support customers in their everyday life and business, we also help strengthen local communities and the nation with various activities including supporting the economy, education, environment, society etc.

In 2013, the Company instituted a policy on anti-corruption across the entire organization from the Board level down. It is prohibited to offer or receive any benefit in exchange for doing, or avoiding from doing, one's duties or undertaking any unethical conduct aimed at gaining personal benefit, or for entering into inappropriate business activities. The Company ensures all employees participate in risk assessment procedures to ensure that risk is managed within the company guidelines.

The policies include a policy of zero tolerance of bribery to all employees and the public in every channel, training programs, regulation, a sanctions procedure and "Whistle-Blowing" channels. The anti-corruption program is reviewed to ensure that it is well-designed and effective.

Procedures for the continuing appropriate training of directors, managers and employees so that they clearly understand the Company's program, know the Company's expectations and the sanctions procedure in the event of a violation are in place.

Employees are trained both internally and externally and are provided with secure and accessible channels through which they are able to raise concerns and report violations ("whistle blowing") in confidence. Employees are encouraged to seek guidance or discuss issues about this program.

Besides, the Company has set a policy not to involve human rights violations. The Company adheres to human rights of equality based on human dignity. The Company does not issue any rules and regulations, discriminate against people of different nationalities, religions, or ethnic backgrounds, does not violate the rights of children and women, promoting the full development of the employees' potential without violating labor rights and not violating sexual rights.

The Company is aware of the role of social responsibility, community, and environment, the Board of Directors has set the policy and guideline for the Company to participate as an opportunity. Including acting as a citizen of society, when the government issued legislation announced for implementation, the Company has followed up and implemented and set a policy for the Company to be a part of helping to raise the standards of securities companies and financial institutions in Thailand.

For community development activities, the Company participates in supporting various activities which are related to continuous community development, such as supporting budgets for schools in other provinces to promote quality Thai education, supporting for charitable sports competitions, organizing activities of Thod-pha-pa, supporting donations to the foundation and various hospitals for medical expenses and purchase equipment. Besides, the Company also

emphasizes to the promotion and support of Buddhism continuously by providing opportunities for personnel at all levels, including directors, executives, and staff, as well as business partners and interested parties, to participate in both internal and external religious activities as appropriate.

For the environment conservancy, the Company supports for using resources efficiently and various activities which do not destroy the environment and nature. The Company uses paperless technology to reduce the amount of paper out of daily operations by using electronic-mail and modern communication tools to help to reduce the amount of waste paper and recyclable parts. It also helps to reduce the storage of documents in the office as well. The Company has encouraged the staff to raise awareness about the environment and use technology for increasing work efficiency and cost savings.
